UPDATES

FOSTER CARE

We praise God for 32 healthy girls between 3-14 years old & 1 healthy 3 year old boy. How beautiful it is to see each child safe and starting to thrive! Every child uniquely created by God with their own talents, gifts, and personalities!

EDUCATION

Celebrations and changing generations is the name of the game at Defenders Christian Academy. 92 kids are learning, 88% are promoted, and every child learns about Jesus! In September, DCA will serve 100+ kids in Prek-3rd!

MEDICAL

King Jesus Children's Clinic is preparing for a big change by intentionally focusing on 18 and under! Each week is met with needs in battling malaria, typhoid, and malnutrition. Baby Harris, from a village, is improving each day! (See pics)

AGRICULTURE

Happy Chickens was Missionary Mary Anne's focus in June as she helped make some quick changes to increase egg productivity. The July team added a greenhouse and new goats. Ag growth equals huge steps toward sustainability!

CHURCH & COMMUNITY

Meal Packets doubled the children's ministry from 150 kids to more than 300 each week! Every day is an opportunity to share Jesus in the prison, villages, orphanages, and Buchanan as the team focuses on "Sharing the Light" with solar lights!

STAFF

Psalm 82:3 Mission currently employs 67 Full time employees with an average monthly salary of \$168! Having guaranteed income is an incredible boost to self-esteem and the country! You or your church group could be a staff sponsor!

BIG BUILDING GOALS

King Jesus Children's Clinic Goal: Build the 1st Stop for Under 18 Medical Care in Grand Bassa County focused in basic trauma, prevention, follow up, therapy, mission partners, and more! 50% of \$300,000 Funded!

Defenders Christian Academy Phase 2 Goal: DCA will add a grade each year. Our current space will serve PreK-3rd Grade. Phase 2 will serve 4th-8th. \$200,000 Fundraising Goal!
